

*Dear rector of the Academy of Special Education
Professor Barbara Marchinkowska!*

*Please accept our sincere congratulations on the significant date of
the 100th anniversary of the Academy of Special education named after
Maria Grzegorzewska*

*The Academy of Special Education, founded in 1922 by the famous
teacher and scientist Maria Grzegorzewska is rightfully considered the first
institution of higher education for professional special education in Poland.*

*The Academy is the oldest educational institution in Poland that
produces qualified specialists in demand in the country's educational services
market.*

*Today, the Academy of Special Education, largely due to the high
professionalism of the teaching staff, firmly holds the leading position among
the universities in Poland!*

*The 100th anniversary of the Academy speaks of the high quality of
education, the presence of a tradition of the great predecessor Maria
Grzegorzewska, whom one wants to follow.*

*Remaining faithful to the traditions, the Academy of Special Education
actively introduces advanced teaching technologies and innovative
pedagogical methods, strengthens the authority of the Academy in the Polish
and international educational community.*

*We wish you and your staff of the Academy of Special Education to
continue the traditions laid down by Maria Grzegorzewska in training of
special teachers, creative success, further prosperity, reaching new heights in
educational, scientific and professional activities.*

*You are leaders, you are a recognized authority in the field of special
education in Poland!*

*Sincerely grateful to you for fruitful cooperation and express hope for
further development!*

*Sincerely, Rector
Chairman of the Board
of KazNPU named after Abay*
